DETAILED ACTION

Response to Amendment

1. The reply filed on 2/9/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): In the Election of Species requirement, mailed 2/1/06, applicant was notified that the claims (1-20) were **generic** to a plurality of disclosed patentably distinct species and that applicant is required to elect a single disclosed species. It is understood that claims 1-20 read on the charging apparatus of the invention, shown in figures 43-53. The examiner requires applicant to choose one of the patentably distinct species of vacuum cleaner identified in species A-N. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
